

Just 30 days left! I'm taking the most important trip I've ever made up into the Prayer Tower starting March 22-- with your prayer requests in my hands.

Dear Sister

We've just got 30 days left to raise the rest of the \$3 million to fulfill God's mandate on my life. And as I write this letter we are approximately \$1.5 million away from our goal.

So with God's leading on March 22 I am going to make the most important trip I have ever made up into the Prayer Tower. I'm going to be in and out of the Prayer Tower praying and fasting until victory comes or God calls me home.

Sister Webb, I want you to know in the depths of your soul I'm EXPECTING A MIRACLE for you at the same time because I am going to take your most urgent prayer requests WITH ME as I go up into the Prayer Tower on March 22. So be sure and get them to me quickly!

This is what the whole deal is about. First, God's burning concern is to turn our medical school into a total Medical Missionary Outreach for the nations before Jesus comes.

And, second, God told me to tell you as you help me get this done, He will put you into His REWARD SYSTEM in ways you've not known before. He said to remind you we're saved by grace -- His free gift -- but we will be rewarded for our works done for Him on this earth.

The controversy is raging as never before over this ministry. There's a reason. The devil has a problem he has not had in over 1,900 years. That problem is over God's mandate on me to put the ministry method of Paul the evangelist and Luke the doctor together AGAIN, which is the only way God could open the Gentile nations to the gospel in the first

over

century -- and it worked and Satan was defeated! Now we have the only medical school that can be turned around for this purpose and Satan is mad about it.

And just as controversy raged over Paul, it's happening to us. Paul was under such pressures he cried out, "I am besieged on every side" (2 Corinthians 7:5). As you know, the news media have questioned our motives and mocked and held us up to ridicule for weeks now.

They've gone so far as to suggest our program be canceled on television. Also, certain religious leaders have mocked me for saying GOD STILL SPEAKS TODAY -- and have jumped on me for saying God spoke to Oral Roberts.

They are saying that while it is noble to send medical missionaries to open up nations, I am a terrible person to use this to raise the \$8,000,000 it takes to give scholarships to the ORU medical students to carry out God's mandate.

The devil is determined he won't let the Paul/Luke method be restored in the Body of Christ and with me as the point man of God on this, Satan is scared we're going to do it. Well, I've got news, the devil is trembling because Jesus is determined WE ARE going to do it (James 2:19). Jesus couldn't get the attention of His people and the world to get this done. He put my life on the line -- because He knew I would obey Him no matter what happened.

I know as my Partner you've been hit also. And I thank you from the bottom of my heart for sticking by me. I want you to know I am not ashamed that God spoke to me. It's not the first time, and it will not be the last. I belong to God and He can do whatever He wants to do with my life. I am not important, but what He speaks to me to do is important.

And right now, during the next 30 days, turning the ORU medical school into a total Medical Missionary Outreach is ALL-IMPORTANT because God said it is.

My beloved Partner, God is a good God, but don't misunderstand what He said about calling me home. He clearly told me He needs me here on earth. And here's why -- because of all the ministries, this ministry is the only one God has on this earth that owns a medical school and can turn it around if we have the money...and the will to obey Him!

Sure, I would love to go and be with Him and get out of this controversy, but I know I can do more good for the gospel -- and in your life -- by staying here until I finish my course.

I thank you for not being offended or ashamed of me. I ask you to keep holding on with me just like Paul's partner did when controversy raged around him because God spoke to him of His concern for the nations. (Paul was even put in prison over this.)

Paul's partner Onesiphorus meant so much to him that Paul prayed, "The Lord give mercy to the family of Onesiphorus, for he often strengthened me and was not ashamed." Then Paul added, because "he ministered unto me, the Lord grant him mercy" (2 Timothy 1:16,18).

I haven't a doubt that when Paul received his partner's help and when he prayed for him and his family, God worked miracles in their lives. Also, they were always proud they hung in there with God's man.

When you put your head on your pillow each night this month I pray God will give "His beloved sleep" and blessing after blessing because you sent your seed in as my Partner in this great project for Him.

I am honored and thrilled to go up in the Prayer Tower March 22 with your prayer requests in my hands...so be sure you get them to me in time. If I go from there to Jesus I will see you in heaven. But I believe that won't happen, because I believe our God will do this mighty thing and at the end of March, you and I will know the miracle has happened and the gospel will go to the nations.

Then as we start the second phase of the Healing Outreach Center here on the campus for the healing power of God to flow into you and tens of thousands of others who come, you will say, "God, I hung in there with my Partner Oral, and miracle after miracle will come to me and my family the rest of my life."

Now, please do these three things real soon.

First, get your urgent prayer requests into the mail this very day, if possible.

Second, pray about planting a seed of \$15 in this ministry to help us fulfill this mandate from God. Ask God to guide you in the amount of your seed to make the victory sure...and if your need is bigger than usual, reach a little deeper and make this your best seed for your desired result from God, your SOURCE. (This may be the best seed you have ever planted.)

Third, on March 22 be with me in your spirit -- and your prayers -- while I'm on this all-important trip up in the Prayer Tower. Set your faith with mine for total victory.

I...love...you!

Your Partner,

Oral Roberts

P.S. The devil means all this "stuff" and this controversy for our harm, but God will use it for our good. The Word of God says, "But God meant it unto good, to bring to pass...to save much people alive" (Genesis 50:20). And you can get into God's reward system by planting your best seed to help us get the gospel to the nations.

Remember to get your letter in the mail to me so I will have your urgent prayer requests with me when I go up into the Prayer Tower March 22! I expect to come out victorious for you and for God's mandate on our lives for the nations of the earth.
