

Dear Sis-

I'm doing all I can do to get this urgent letter in your hands immediately. I pray to God that you get it and respond back to me the very same day because as I send this letter I only have 9 days left!

I pray that God will open your ears to hear and your heart to receive what I'm about to tell you. I'm going to tell you what I ACTUALLY said back in January and not what the media said I said.

I've been with God the last few days and He has jolted me awake. Satan has just about tricked us into thinking everything was going to be all right. The scholarship money is coming in (and I praise God it is) but that's not the REAL ISSUE.

I have said from the beginning that we must raise the \$8 million for the scholarships OVER AND ABOVE our regular ministry needs. It takes monthly payments to keep the university operating. AND WITHOUT ORU, THERE IS NO BASE FROM WHICH WE CAN PRODUCE MEDICAL MISSIONARIES! We fell so short financially last fall that we must have money over and above to first meet those regular needs...THEN the \$8 million for scholarships is going to mean something.

But hear me now, we can have all the money in the world and all our needs met, BUT if you and I, and the ORU students, faculty, and staff, and your pastor and church, and the entire Body of Christ don't have a missionary heart, WE HAVE NOTHING. Until we feel the travail and brokenheartedness that God feels for lost and suffering people, we don't have anything!

And now we only have until March 31 not only to raise the

Over

rest of the \$8 million and the regular financial needs, but to also turn medical missions around, to turn the ORU medical school around, and to send out a signal to the Body of Christ to develop a missionary heart.

Are you with me? I'm asking you, my Partner, to tarry in prayer with me one hour right there where you are as I'm up in the Prayer Tower these next 9 days. Will you do it?

You and I are so close to the 100-fold return. We've endured the persecutions and now God says we'll receive the 100-fold.

Peter asked Jesus, what do we get out of our relationship with Him? Do you remember what Jesus said? He said we would receive 100-fold of things IN THIS LIFE...but WITH PERSECUTIONS, and in the world to come we would receive eternal life (Mark 10:28-30).

Partner, we've already been through the persecutions. I've been persecuted worse these last three months than in the entire previous 4 decades of my ministry -- and you've been persecuted with me. So let's take the 100-fold. Why quit just before our 100-fold comes through after we've endured the persecutions?

Aren't you sick and tired of living so near the edge of not surviving? Well, I am. That's why I want you to get into the PACE OF FAITH as I am. The pace of giving and receiving, of sowing and reaping, of getting into a rhythm so that we don't let Satan steal our 100-fold return. Don't stop sowing now!

When Peter was trying to catch his 100-fold return of fish, he called to his partners to help (Luke 5:7). And when they did, they all got a net-breaking, boat-sinking load of fish -- he AND his partners.

Partner, just like Peter I want you to help me so you can get

- ...your net-breaking, boat-sinking load
- ...your OVERFLOW
- ...your victory in Jesus Christ
- ...your overwhelming healing
- ...your abundant life

I want you to help me kick the devil in the head -- quit listening to him and what the media say. Go to your Bible. God will prove what I say to you right there in His Word.

Now I'm asking you, Partner, to tarry with me one hour in prayer while I'm up in the Prayer Tower the next 9 days. We're going to pray...I mean PRAY...

- 1) for God's missionary heart to get inside you, your pastor, your church, and the ORU students, faculty, and staff.
- 2) that I will receive the OVERFLOW of the \$8 million for scholarships for the medical students ABOVE the regular monthly needs of this ministry, plus what we fell behind last fall. This is what God said for me to do. Then He would put me and my Partners into the 100-fold return.
- 3) and that you will live an abundant life and receive the OVERFLOW in your life!

Will you do it? Will you tarry with me one hour in prayer right there where you are? And let me know what hour it will be. And will you plant your urgent Seed-Faith gift to help us before March 31? I know you've been faithful in helping me and I praise God for all you've done, but I really need an urgent Seed-Faith gift from you right now...AND YOU NEED TO GIVE IT FOR YOURSELF -- to put you in the PACE OF FAITH so you can get your 100-fold return. You're so close now -- you've gone through the persecution, so don't stop now. You're about to receive what God promised you. Plant the exact seed God lays on your heart. Don't disobey Him.

(I don't want you to barely exist. I want you to have the 100-fold return in your life and that's exactly what I'm going to be praying for in the Prayer Tower these few days left in March.)

Believe me, you want Oral Roberts to pray for you right now because God is rekindling the healing gifts in my life like never before in the past 4 decades of my ministry. I expect a healing wave to emanate through the walls of the Prayer Tower across this campus, to the City of Faith, across

Over

America, across the earth, and into your home!

Richard, Dr. Jim Winslow, and I with our associates walked through every foot of the Prayer Tower with our shoes off because we were on holy ground, and we anointed it with oil. We resanctified it. We rededicated the Prayer Tower so the healing would flow from it to the ends of the earth.

So, right now, send every prayer request to me that you haven't sent yet. Right now -- don't delay. And let me know YOU WILL TARRY WITH ME ONE HOUR IN PRAYER RIGHT THERE WHERE YOU ARE! And let me know what hour it will be. Be sure to include your urgent Seed-Faith gift. Don't forget it.

Partner, I praise God for you and I pray you will fill out your URGENT REPLY today and mail it to me. There's no time to waste. Let God speak to your heart.

I love you and I'm believing for the OVERFLOW in your life.

Your abundant life Partner,

Oral Roberts

P.S. Let me know today you will TARRY WITH ME ONE HOUR IN PRAYER right there where you are while I am in the Prayer Tower until March 31. And tell me what hour it will be. Believe for your OVERFLOW and for the OVERFLOW for this ministry.

And please don't forget your URGENT Seed-Faith gift.
