02:10 *“the next seven minutes will be the most important seven minutes in your life, hallelujah, (Coontz closes his eyes as if hearing from God at that moment) I’m talking to twelve people.... God will multiply what he’s given you (i.e. what we call a “heavenly lottery”) ... God’s gonna have you take a step of faith today... doesn’t make things easy... the anointing that you sow into is the anointing that you have a right to (translation: sowing means giving money to his ministry so God will bless you) ...*

05:40 *I know beyond a shadow of a doubt that when you plant the seed that God’s talking to me about, your life is going to change... the only proof of faith is obedience... without faith it’s impossible to please God ... (brief advertisement for purchasing Coontz’ CD about building faith comes on screen) ... when you ask God for a miracle, he will always ask you to use your faith... he will always ask you to open your hands and sow a seed... why a seed?*

08:12 *Why is God moved by offerings and seed? When you bring God a **financial** seed you are bringing him the best... when you ask him for a harvest, he will demand a seed... God will often give you an instruction... often God’s instructions are illogical but they’re always doable. You need to plant the \$273 recovery seed... you need to go to the phones right now to activate your seed... don’t delay this, don’t delay this... (on the screen “call now and sow your \$273 recovery seed 1-888-400-7625—Rockwealth.ORG)*

10:39 *God says to tell you all losses will stop... From this day forward, when you release the seed, all losses will stop... you’re going to recover all (quotes a half-scripture) somebody is going to open a door for you... just the right person... it’s important that you tell the financial counselor that this is your recovery seed... when you **plant it on your bank card**... you’ll get my CD... you’re going to get favor on your business deal, your real estate transaction... I feel like I need to say to a scoffer, you can’t buy a miracle, but David (incorrectly summarizing a bible story), planted a miracle seed and stopped a plague (from killing more thousands of people) ...*

14:25 *You say why \$273? 273 Means... 2- Agreement 7- Divine Completion 3- Trinity & Resurrectiion... God gave me my one of the greatest miracles of my life based on Deuteronomy 27:3*

15:45 *For where two or three are gathered together in my name, there am I in the midst of them. Matthew 18:19-20 If we come into agreement, whatever we pray for God will do.*

16:53 *When your prayer requests come into my office I pray over them... shows him laying hands on prayer requests...*

17:58 *The principle of seed, time and harvest... I have sown seed and believe it or not I have gotten miracles in 7 minutes in 20 minutes in one day one week. Other harvests have taken longer but God has always multiplied my seed.*

19:09 *When you sow a seed in a crisis it becomes an uncommon seed... the law of the seed changed my life... sowing is not optional... what you sow, where you sow and how much you sow is not optional.. you can take your seed according to the word of God and you can sow yourself out of any crisis...*

20:47 *When I came into the studio God said you would be watching he would connect your life with my life.... I am a deliverer I have a breakthrough anointing... he told me to pray over your life for **three** things to happen... **That** all loses are going to stop Satan has been beating you up he has been stealing from you and your back is against the wall and I don't have much longer I can't take this.... **You** will have total recovery. God will restore what has been taken from you. Satan has to give it back 7 times. **God** will multiply what you have. The \$273 recovery seed is bigger than you know.*

22:15 *Father we aren't buying miracles with a paycheck but we can sow a seed wrapped with faith and expectation and we can believe your Jehovah Jira to multiply it.*

25:29 *Father I decree now that miracles will happen all over this network in 200 countries.  
Amen*
